Headline: Pinnacle Solutions, Inc. to Provide Simulators for the National Flight Academy

Huntsville, Alabama (February 7, 2011) – Pinnacle Solutions, Inc., a Huntsville based Service-Disabled, Veteran-Owned Small Business, is proud to announce its partnership with the National Flight Academy (NFA).

“The National Flight Academy is thrilled to be partnered with Pinnacle Solutions. Pinnacle offers the National Flight Academy the simulation environment that provides a world class learning adventure for our students, as well as the opportunity to partner with Mike Durant and his team.” said Kevin King, Vice President of National Flight Academy, LLC.

The NFA vision is to be the world leader in aviation-inspired learning. Pinnacle will provide the simulation backbone to the NFA Science, Technology, Engineering and Math (STEM) curriculum through the delivery of High and Medium fidelity Flight Simulators, Instructor Operator Stations (IOS) and Remotely Piloted System (RPS) stations networked for use in a collective learning environment.

“Pinnacle is honored to have been selected to be a part of this exciting new program. This program represents a significant opportunity for Pinnacle to impact the next generation of scientists, engineers and aviators.” said Michael Durant, President and CEO of Pinnacle Solutions, Inc.

Pinnacle provides engineering, support and training services, training system development and upgrades, as well as a variety of other aviation and engineering-related services to the Department of Defense (DoD), training system contractors, and weapon system Original Equipment Manufacturers.
