Huntsville, Alabama (April 19, 2011) – Pinnacle Solutions, Inc., a Huntsville based Service-Disabled, Veteran-Owned Small Business, announced today that their headquarters will be moving to 8 Parade Street Suite 301 Huntsville, AL 35806 as of April 25th, 2011.

The new space encompasses over 6000 square feet on Parade Street in the Providence community, providing more room to grow for the 3-year old company.

As President Mike Durant commented on the transition, “This much-anticipated move provides Pinnacle with a significant increase in capability and physical space. However, we recognize that it is our people that matter most, and the work environment we’re creating in this new facility serves as a key enabler in one of our primary focus areas for 2011 – to continue to recruit and retain a world-class work-force.”

Pinnacle provides engineering, support and training services, training system development and upgrades, as well as a variety of other aviation and engineering-related services to the Department of Defense (DoD), training system contractors, and weapon system OEMs.
